

Breaking News!

With the timing of Hurricane Irma this week, we are aware that many people will still be arriving later today into tomorrow. To maximize opportunities for our attendees and exhibitors to conduct business while here at GlassBuild, we have worked with our vendors and the Georgia World Congress Center to **EXTEND SHOW HOURS** on Wednesday and Thursday. We have added 1 hour on Wednesday morning and 2 hours on Wednesday evening; and 1 additional hour on Thursday morning.

We will have extra security on the show floor during these extra show hours.

It is **OPTIONAL** for exhibitors to staff their booth during these additional show hours – we understand some exhibitors may be here with less booth personnel than usual.

We will do a blast email to our audience to let everyone know of the extended hours, and repeat the message in our daily newsletter and social media.

Adjusted Expo Floor Show Hours:

Wednesday, September 13 – **8:00am -7:00pm**

Thursday, September 14 – **8:00am - 2:00pm**

Additionally, we will make private meeting rooms available to exhibitors at no charge who would like continue to meet with their customers after the show closes at 2pm on Thursday. Rooms are available on a first come, first serve basis. You can sign up for a room in the GlassBuild sales office, room B212 beginning immediately.
